

Enrollment of core elective subjects is carried out through Study Information System (SIS) at the web address: <http://is.cuni.cz/studium>

After your registration to SIS, please choose the icon „Subjects and schedule registration“

The screenshot displays the SIS web interface with the following sections and options:

- Header:** Faculty of Medicine in Pilsen, 59:50, Text mode, Another role.
- Anketa:** You did not rate all your subjects, you can do so in module Inquiry [\[here\]](#)
- Education:**
 - Subjects and schedule registration** (highlighted with a red circle)
 - Subjects
 - Thesis (Selection of subject)
 - Inquiry
 - Summary of exam results
 - Exam dates
- Time-table:** Schedule NG
- Admission process:**
 - Admission requirements
 - Study application form
 - Admission procedure status
- Noneducational agenda:**
 - Central catalogue
 - E-resources Portal

On the input screen of subjects registration choose the card „Enroll (standard)“, please. A list of subjects which are you allowed to register appears there. See the picture below – as an example for the 3rd year:

Subjects and schedule registration (version: 269)
 Faculty of Medicine in Plzeň, 2013/2014, summer semester, enroll to 3. year

step until all the chosen subjects are registered.

Repeat step by

Choice of Subjects:

- **Grey lines** (there is not possible to choose this subject)
- **Lines with a cross at the beginning** show the subjects which are not possible to enroll because they were already completed and it is not possible to register them again. If there are some subjects, which you should be allowed to register or subjects which were already registered before, but you could not complete them because of a repeating of a year, please, contact the English Study office.
- **List of items displayed for each subject**
 - Code of the subject
 - Name of the subject
 - Capacity – (Number A)/(Number B) – number A shows number of already enrolled students and number B shows the maximum number of students who are allowed to enroll for the subject (a capacity of subject)
 - Points – number of credits of the subject
 - Start – semester, in which the subject starts
 - 1. sem – range of the subject and it's evaluation
 - 2. sem – range of the subject and it's evaluation
 - Teachers – after click this link you can see the name of the teacher of the subject
 - Guarantee – a code of a department, who guarantees teaching of the subject. After click you can see a list of subjects which are provided by this department.

Don't forget to check if the correct Academic year/semester is set!

Detailed information about the subject

For more detailed information about the core-elective subject, please click the code of the subject at the beginning of the line in the list of subjects.
