Conditions for granting patronage by the faculty

- 2.1 Patronage is an honourable honour by which the Dean of the faculty grants moral support and draws attention to the importance and contribution of a given event, activity, project or undertaking (hereinafter referred to as "activity").
- 2.2 Patronage may be assumed over activities organized or arranged especially by basic and other departments for teaching and scientific research activities, special-purpose facilities and the dean's office and other entities associated with the faculty (e.g. student associations).
- 2.3 The request for patronage must be submitted in writing (paper or electronic) to the faculty office (e-mail: podatelna@lfp.cuni.cz) in sufficient time, at least 30 days before the activity.
- 2.4 Patronage is granted by decree of the Dean.
